States to develop their own PCVE action Plans.

STRATCOM / PUBLIC ENLIGHTENMENT

- Public enlightenment goes beyond awareness and involves providing detailed information and education on Preventing and Countering Violent Extremism to the general public.

This includes:

- **Explaining safety standards and regulations:** Communicating the specific safety Narratives with standardize policies and regulations that govern Peace Building in Nigeria.
- **Providing practical tips:** Offering practical advices with positive Narratives on how to mitigate False Narratives, Fake news and hate Speech to Stakeholders.
- **Encouraging responsible behavioral changes:** Promoting responsible behavior; as a social responsibility in building peace for social cohesion.

THE ROLES OF KEY STAKEHOLDERS

- ☐ What roles will the Youths and students play in P/CVE; in National Security.
- ☐ Do you have a roles on Policy Formulation ?
- ☐ Develop and enact comprehensive Narratives to drive the 4 components among youths and students in other to build a peaceful Nigeria.

STRATEGIES FOR EFFECTIVE SENSITIZATION AND PUBLIC ENLIGHTENMENT ARE:

Targeted Communication Campaigns: Develop and implement targeted communication campaigns that is tailored to reach a wide range of audiences, such as:

- ✓ General public.
- ✓ Students.
- ✓ Community leaders.
- ✓ Private businesses

Use of Multiple Channels: Utilize a variety of communication channels, such as:

- ✓ Print media. Newspapers, bulletins, journals etc.
- ✓ Broadcast media. Television and the Radio.
- ✓ Social media: media handles like the Facebook, Twitter, Telegram, Instagram etc..
- ✓ Public service announcements.
- ✓ community outreach programs.

Partnership with Stakeholders: Collaborate with relevant stakeholders, including:

- ✓ NYSC.
- ✓ NYCN.
- ✓ Youth Associations.
- ✓ Community organizations
- ✓ Educational institutions

Educational Programs: Develop and implement educational programs, such as:

- ✓ Clubs trsinings training for students
- ✓ Public awareness workshops.
- ✓ School programs on peace building and security.

Community Engagement: Foster community Resilience engagement through activities such as:

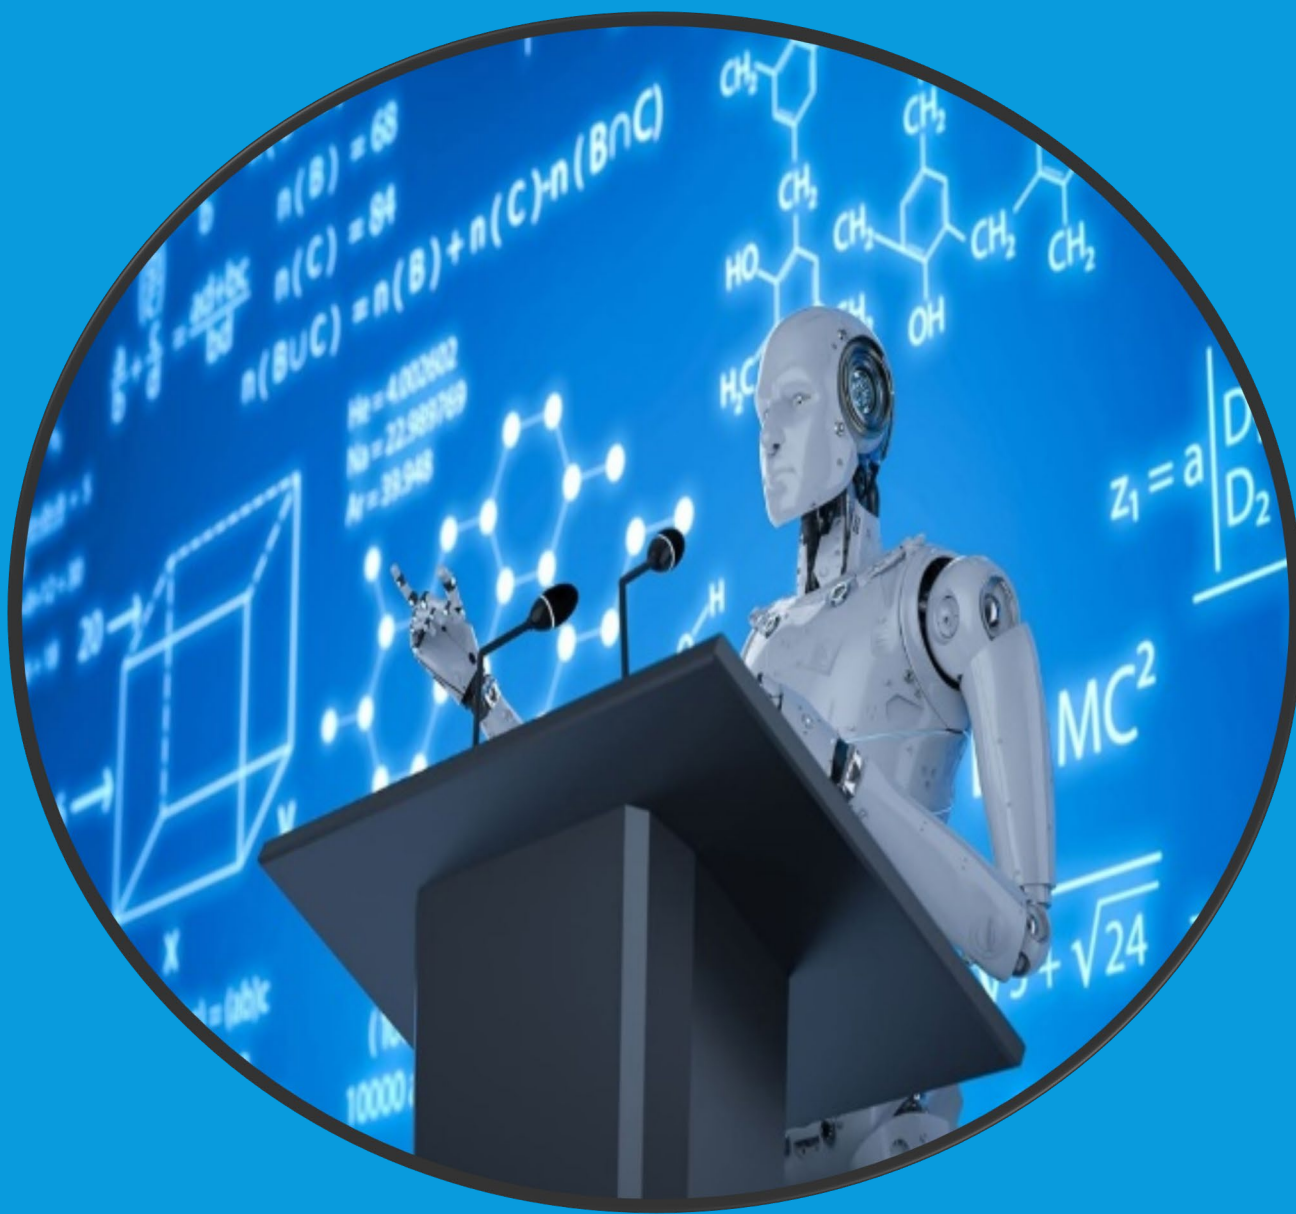

- ✓ Community forums interface, Town hall meetings etc.
- ✓ Build a people of peace awareness events.

I believe you now understand the Policy framework - National Action Plan (PF –NAP) on the Prevention of Violent Extremism in Nigeria.

What do you think ? Should be your Social Responsibility in contributing to National Security in Nigeria.?

THE END

Thanks for listening
